Re: *Green-Taylor Water District/City of Greensburg Proposed Water Rate Increase*

Ms. O'Donnell:

Green-Taylor Water District (hereinafter "GTWD") has received a proposed City of Greensburg water rate increase that was filed with the commission on December 28, 2004. Currently, GTWD is reviewing the rate increase and is in the process of negotiating a new water rate proposal based upon figures provided by Ms. Carryn Lee, Financial Analyst for Kentucky Rural Water Association.

In the meantime, as Local Counsel for GTWD, I have been requested to give formal notice to the Public Service Commission that the GTWD Board of Commissioners desires to intervene in the procedure and for the Public Service Commission to investigate the proposed water rate increase.

The Board of Commissioners await your response.

Very truly yours,  
  
John D. Henderson  
GTWD Local Counsel
